

MANNOL Cockpit-Reiniger

6105 / 6106 / 6107 / 6108 / 6115 / 6116 / 6117

Cockpit-Reiniger is a dashboard cleaner with a pleasant smell, designed to remove dirt and to protect from cracking and drying out.

Properties:

- Has excellent cleaning properties;

- Forms a strong polymer layer of silicone molecules on the treated surface which is resistant to UV radiation and gives the surface excellent waterproof and antistatic properties;

- Can be used for the care of internal coatings made of synthetic material and plastic.

Application:

Clean the surface to be treated before use. Shake the balloon well before use. Do not spray directly on plastic surfaces – instead, apply the cleaner to a dry sponge or cloth and wipe the surface thoroughly. Avoid contact with glass or fabric surfaces. Do not use on the steering wheel, pedals or door handles.

Available smells:

6105 – Apple

6106 – Citron

6107 – New Car

6108 – Rose

6115 – Apple

6116 – Citron

6117 – New Car
