

MANNOL Textile Cleaner

9976

Textile Cleaner - a product with a pleasant smell for cleaning dirt and grease stains on the surfaces of car seats, carpets and upholstered furniture with moisture-resistant upholstery. Neutral to fabrics and carpets.

Application: spray the product evenly on the surface to be treated from a distance of 10-15 cm, rub it with a sponge or brush, and then rinse. In case of heavy contamination, rub in the product more intensively by adding a dose, or repeat the process.
