

MANNOL Glas Cleaner 9974

Glas Cleaner is an effective and easy – to-use tool for cleaning car windows, headlights and mirrors, including highly polluted ones, and for domestic use.

Properties:

- Effectively cleans the exterior and interior, glass, plastic, vinyl and chrome surfaces of the car from most dirt;
- Gives the treated surfaces antistatic, dirt - and water-repellent properties;
- Does not leave stains, traces and streaks;
- Does not change the optical properties of the glass;
- Neutral to rubber seals, safe for paintwork.

Application: apply to the surface to be treated, wipe with a sponge or suede cloth.
