

MANNOL Scheiben Reiniger 1:100

5022

MANNOL Scheiben Reiniger 1:100 is a highly efficient super - concentrated summer wiper for use in the washer tank.

Properties:
- Effectively removes dirt, insects, oil stains, silicone film and other heavy dirt from windows and headlights;
- Quickly provides transparency of the windscreen, increasing driving safety;
- Has a pleasant citrus smell
- Does not leave stains and streaks on the glass;
- Free of phosphates, biologically neutral;
- Chemically neutral to rubbers, plastics and paint coatings.

Application: dilute with water in a ratio of 1:100 (25 ml per 2.5 liters of water) and pour into the washer tank.
