

# Dispensing Tap for 20L Drum

## DIN61

The innovative Dispensing Taps for 20 L MANNOL containers and 1,000 L IBC containers enable easy, clean and fast dispensing of liquids without clucking. Thanks to the patented ventilation system, the Dispensing Tap offers a very high discharge capacity with a flow rate of > 10 L/min. Dispensing Taps are characterised by their excellent tightness and high chemical resistance. Patented quality product.
