

MANNOL Extreme Pressure Multipurpose Grease EP-0 Ester

8401

Semi-liquid multipurpose anti-scuffing lithium-calcium premium class grease with extended service life, based on selectively purified high-viscosity oils and group V oils with the addition of anti-wear, anti-oxidant and anti-corrosive organic additives. Intended for centralised lubrication systems of friction units of transport, agricultural, off-road and other equipment exposed to medium and high loads. Has excellent low-temperature properties and outstanding pumpability. Operating temperature range: from -40 °C to +120 °C.
