

MANNOL Softshell Jacket

2555

Made from durable windproof and waterproof materials, it ensures reliable resistance against rain and strong winds while maintaining breathability.

The jacket features strategically placed reflective elements for enhanced visibility and safety in low-light conditions. Its functional design includes multiple zippered pockets with water-resistant closures, adjustable cuffs, and a secure hood with reinforced seams.

The packaging is adjusted to 10 pcs o fone size in a box.

Sizes available: M / L / XL / 2XL
