

# MANNOL TS-27 0W-20

## 7127

SYNTHETIC PAO- and Ester-Based HEAVY DUTY ENGINE OIL
TS-27 0W-20 is a high-performance fully synthetic PAO and ester based engine oil developed through advanced co-engineering with leading diesel engine manufacturers to deliver outstanding efficiency and maximum protection. Its unique formulation is the result of extensive laboratory research supported by thousands of hours of bench and field testing under demanding operating conditions.

The carefully balanced additive system provides reduced friction, improved fuel economy, enhanced oxidation resistance, and excellent engine cleanliness. This makes TS-27 particularly suitable for modern Euro VI engines, including those equipped with Fuel Economy Package (FEP) technologies.

**Specifications**
SAE 0W-20
API CK-4
IVECO 18-1804 TLV LS CTR I139.D14
MB 228.71 (DTFR 15C140)
